Dear Parents/Guardians,

As we emerge successful from yet another splendid year, it is an absolute delight to see our students blossoming into more enlightened, skilled and confident individuals, ever striving towards perfection. I would like to welcome you to the new academic year 2023-24 at St. Joseph's High School.

At this juncture I want to express my personal thanks to the Manager Rev. Fr. Dominick M. Falcao, and the staff members of St. Joseph's High School who focused on building relationships with the entire Josephite family by being approachable and always having the idea of "what is best for children" through their decision making. I feel blessed to continue the task entrusted to me by the management. I emphasize that St. Joseph's stands for excellence with a promise to deliver the best of our abilities. We have a passionate and committed faculty and staff and believe in giving our best. We also value your cooperation support and trust. I hope you are in agreement with the fact that the most important ingredient in the child's school journey is harmony, good relationships, faith and goodwill. Anything otherwise will only cause disruption in a child's learning experience.

The New Academic year brings in renewed energy and strengthening of our resolve to fulfill all that has been planned for the students. There are new goals to identify and dreams to be turned into reality.

- Manners, Greetings, Courtesy words etc.
- Fluency in English.
- Academic Excellence.
- No tuitions are encouraged.

We would also like to welcome our new students and their parents with a definite assurance that you will find the school welcoming and warm at heart, with an energetic environment, conducive to learning and growth.

The ever living faith you all have in school has encouraged us to provide an even healthier environment for learning. We have had a few changes in the Faculty which is inevitable, but the new faces have already started spreading their excited smiles on the campus. You will get an opportunity to meet all the teachers during the Parent- Teacher interactions in the months to follow.

Please do continue to check the **School's website** (www.stjosephpillar.com) and the **School App** (St. Joseph's High School App, Mandi Dabwali) for the upcoming events, calendar and information.

St. Joseph's High School aims to build and nurture a community of thinking, compassionate world citizens, who are committed to living with responsibility, learning with enthusiasm and balancing a strong work ethos with a sense of play which, without your co-operation, is not

possible. It is our mission to ensure that in a safe tranquil, stimulating and intellectually challenging environment, all students shall have ample opportunity to:
